Large Tables/Split bills

We try to be as accommodating as possible...with everything! Large tables/parties must arrange payments before settling the bill, we do not accept responsibility for part payments and cannot intervene in pre-paying certain individual items. Ideally if its an equal split, i.e. a large bill split between however many guests are in the group, could be accommodated. Please be patient & understanding to our servers – they are trying their hardest!

Dog Friendly

We are dog crazy here at the winky, as long as your dog is friendly – so are We! But we do ask if you could please tidy up after you pet and leave no trace ideally. Not all off our customers enjoy pet hair etc, so please be respectful and keep you furry friends off the seats/furniture.

Statement of Allergens & Risk of Cross Contamination

We take great care and understand the dangers of cross contamination and that more people suffer with allergies and intolerances and that each and every customer's needs are individual. Please note that our menu descriptors do not include all ingredients or allergens. Even if you have chosen the item previously, please inform your server each time you visit as recipe's and suppliers can change.

We want you to know that despite taking precautions, normal kitchen operations may involve some shared cooking and preparation areas, equipment and utensils, we do work with many allergens in our kitchen. There is always a risk that unintended “cross-contact” traces may be found in any dish we serve. We will do everything we can to ensure your requirements/choices are met, however no allergen food can be 100% guaranteed “free from”.

Team Winky 😊
